Overview

Our Primary School has 350 students enrolled with 2 classes of 25 students in each year level. There is a rich specialist program including Music, PE, LOTE, Visual Art, Technology and Library. The Learning Enhancement and Diversity department provide targeted support for students.

The SCG Primary School is a dynamic and vibrant learning community which has an established personalised approach while maintaining a future focus.

In the Primary School we aim to create an environment where relationships, connection and belonging is embedded in our actions. There are many gossamer threads that run through our Primary School, linking students, families and teachers and we believe these connections strengthen our community. It is a school where student's contributions are valued and a place where our students can develop a sustained interest in learning. We support our students in their endeavours and nurture their friendships as they move through the Primary School.

Key Aspects of the Role

Developmental Pedagogy and Learning

- Demonstrate an understanding of best practice pedagogy which embraces the principles of personalised learning and encourages high performance outcomes
- Work collaboratively with colleagues to develop programs and initiatives that support the academic growth of each student and create opportunities for quality learning experiences
- Develop and review the curriculum, resources, feedback and assessment practices and targeted teaching and learning strategies across programs
- Ensure that a sound knowledge of emerging trends in educational theory, learning theory, learning technology, student achievement, assessment and methodologies underpins all learning and teaching across programs

Student Care

- Know your students – understanding a student's physical, psychological and emotional developmental stages from an evidence-based perspective
- Encourage a positive environment, where achievements are celebrated, each student feels valued, and a sense of belonging and connectedness is created for all
- Model authentic and meaningful conversations with members of our community adopting a restorative approach in addressing issues of conflict as required
- Collaborate with the Head of Year Level, Head of Learning Enhancement and Diversity F-12, Student Counsellor and other teachers to ensure the support of students with additional needs and/or at-risk students.

Communication and Connection

- Form strong collaborative relationships with students, colleagues, parents and the broader school community focused on student learning, agency, wellbeing and engagement
- Regularly communicate with parents/guardians to assist them in supporting their child's academic growth and wellbeing
- Work closely with colleagues in the provision of a challenging, balanced, relevant and differentiated curriculum for students across programs
- Collaborate with the Deputy Head of Primary and Head of Enhancement and Diversity F-12 to plan for and provide data on individual student academic, social and behavioral progress
- Actively build professional networks with key external partners and professional associations
- Engage in Professional Learning
- Attend all staff meetings, when required.
